

Dorrie Dreamyard Monsters Little Witch

to: jule I. sigall from: eli mapstead - from: eli mapstead comment: the dorrie series is a series of illustrated childrens books about a little witch and her adventures that i grew up reading as a kid. however, all except one of the 20 some odd books in the series are out of print. the date of the first publish i can find for the first book in the series is ~1965. the different books have been published and republished by a hoard of ...
